

COMPASSION

The Rabbits' World

A ferocious lion chased a timid
Family of rabbits,
They ran for life,
They ran for hours

They did not turn back and see
That the lion stopped
chasing them long back.

Then they entered a world of snow
All beautiful and fair
Happiness everywhere
Each other sharing and caring.
Oh how I wish I ran into the world!

Compassion

Love is compassion
friendship is compassion
like an ant and a grasshopper
sharing is compassion
like a dog and a bone.
nature is compassion
sharing the things
we do is compassion

Helping is compassion
fill your life by helping others
this is compassion.
the greatness that
we show others is compassion
like a crane that helped a
tiger.

MY JOURNEY

Oh! How happy when I was waiting for the train.
It was the first time experience I couldn't contain
Packing started long back
As I packed and unpacked again and again.
The quilt, water bottle, chocolates and book
All I took.

The day has come, and I am set to start,
Just then I saw two children on the platform
With torn hair and dirty clothes.
I took the quilt and some chocolates
And gave it to them as a gift.

Lovingly they received
And I felt happy for helping them.

Compassion

Compassion is a mission
An untiring mission
Of the sun, the moon and the stars.
From the sky we receive love.

Earth, water, fire
The flora and fauna
They spread the aura of happiness.

All things on this Earth are on a mission
Why don't we follow their passion
And show compassion?

Two Little Brothers

The two little ran into the near by
Woods to play for a while.
Oh yes! Mom gave permission

They were elated,
They ran and ran
Forgetting time and space.

Ah! They realised suddenly
It became late.
They fell in love with the woods.
They fell in love with the trees.
They fell in love with the nature.

Compassionate Paper

Papers are thin and nice
which is used to write in lines,
to help us to write notes
even to note how much loads.
Papers are lifeless
yet, they are not useless
even papers are compassionate.

Patients listeners they are.
Without any question
they take in everything.

Compassion

As red as roses
you express no words
as white as snow
like compassion with birds.
Kindness and honesty,
Love and loyalty,
Truthfulness and austerity,
all are beliefs of humanity.

Though we all have it
we need to think,
because it is necessary, at least a bit
like the time an eye needs to blink.
Compassion is what we need,
but some of us don't know what it is.

My Family

The temple of compassion
Is my lovely home,
I am blessed to be born
Into the family.
My father and mother are my true Gods
Who fulfill all my wishes
My little sister is the angel on Earth.
Blessed, I am.

My Compassionate Mother

Oh mother, my mother

You are so kind

You are so bright

You are the best

The care and

And the correct path you show

I always respect

Leave the rest

You are the best

I celebrate you

I appreciate you

For the unconditional love

You shower on me.

Wrist Watch

A watch on the wrist
Charged with battery
Ready to show all the times.
To remind about the meals,
To show the light.
Fluorescent and white
Recording the time
On the track
While you sprint away
Like a wind

It is the wrist watch
Helping every time of the day
To do the tasks on time.
