

# FREEDOM

**When the British ruled,  
Indians never sat and thought  
Against them they fought  
Is there was no freedom now?  
We could not at all live happily.**

**We all have freedom  
Because of our great freedom fighters  
Gurudev one among them  
Who fought for our freedom  
British evoked fuss  
Our warriors fought against them and won us!**

# FREEDOM

**Freedom is the birth right of all  
Each and every being needs it  
Without freedom,  
We would've been told,  
what to do all the time.**

**We need to thank the great masters  
Come on, come on let's prove the world  
That we are, better than them  
If we are the true Indians,  
We need to do something better than them  
Develop our country more, and more, and more...**

# FREEDOM

Freedom is doing the duty at right time  
To do what is good and leave the bad

Like how your mother says  
Do your holiday homework  
And then you enjoy your freedom  
You do your holiday homework  
and you get the freedom

People like Mahatma Gandhi  
Netaji and Bhagat Singh were ready  
to give their blood for the freedom of their country  
And the well-being of their freedom!

Freedom is given to everybody in this world  
And if it is given then we must use it wisely

If you give freedom, you get freedom  
Keep giving freedom  
And see the happiness in other people

# FREEDOM

When the British ruled  
We had nothing to do  
Fighting is all what we had  
Not with swords,  
with a heart made of gold

They had no mercy  
But only had a penny  
Just shot on us  
Filled us all with fuss

We just need freedom  
We just need freedom

When a man stood up  
With his head on top  
We went with him  
And made him win

We were so proud  
burst crackers on ground  
We smelt the smell of freedom

# FREEDOM

**We are Indians  
We are Indians  
We have freedom  
We can go anywhere  
We salute our soldiers  
And we will bow down to our freedom fighters**

**We are of different religions  
But we are together  
We are from different states  
But will work together**

**Mahatma Gandhi, the father of nation  
He worked in the path of non-violence  
If we work together  
it is the best  
We are Indians  
We are Indians.**

# FREEDOM

**We are free  
We are free  
Only because of  
The great soldiers.**

**They fought day and night  
just for our country rights.  
They contributed their lives  
in the cruel fight.**

**They were determined  
and were very kind  
They fought for our mother land  
and that's why we have a free stand.**

# FREEDOM

**Freedom is something  
That can't be bought  
But if you look inside  
It can be sought.**

**It is something that  
A whole army fights  
For the nation, and,  
For the betterment of the people**

**Give freedom to the soul and  
To the one whom you love**

# FREEDOM

**Freedom is a blessing granted to all of us,  
Freedom is a value so strong, we tend to  
Forget what freedom really is.**

**Freedom allows me to kick a ball in the ground,  
Freedom allows me to talk with my friends happily,  
Freedom allows me to have fun and be happy.**

**A life without freedom is a life without a smile,  
A life without freedom is a life filled with tears,  
A life without freedom is not a life at all  
India without freedom is India without joy,  
But India with freedom is India with pride,  
India with freedom is what I love**

# FREEDOM

**British were ruling us for many years  
We were very sad, eyes filled with tears  
Some freedom fighters used non-violence  
And some were full of violence**

**Freedom fighters were tortured badly  
And everyone was seeing them sadly  
But they never gave up  
And now freely the nation walks  
Now our flag is on top  
That our freedom fighters got.**
