# FEELING OF HAPPINESS

**Joy in my heart,  
Jumping here and there,  
makes me happy.  
We get happy when we are,  
with our parents and friends  
by giggling and laughing  
I take pictures with my camera.  
To capture the happy moments  
Sharing with our family and friends  
Keep laughing without limits.  
So that you cure your sadness.  
And live a beautiful life.**

# FEELING OF HAPPINESS

**Happiness is a feeling so wonderful,  
It'll make you laugh and drool.  
It can be for anything big or small.  
Just make sure you spread it to all.  
Make every day one to remember.  
Everyone will exclaim in wonder,  
Spread your happiness like the sun,  
Manifest it in everyone.  
If you are very sad,  
Seek it from anyone old or a lad,  
We should feel the joy,  
If we are an old hog or a boy.**

# FEELING OF HAPPINESS

**A feeling I get,  
The joy I set  
Happiness all around  
Children's joyful sound  
A chill of joy,  
When it comes to me,  
I don't need to pay the fee.  
Birds singing all around,  
making a peaceful and beautiful sound.  
Children playing a lot,  
making many slots.**

# FEELING OF HAPPINESS

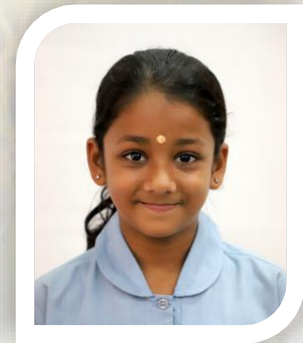

**Happiness is a feeling so pure.  
Inside or outside,  
With friends or family,  
It is always a cure.  
Happiness is a gift.  
That only a few possess,  
If you are one of them,  
Then make it the best.  
Feelings of happiness,  
So strong, so bright.  
What a blessing,  
Always be happy.  
No matter what,  
Even when you're sappy  
Or out of luck.**

# FEELING OF HAPPINESS

**When you don't have sadness,  
Comes the feeling of happiness.  
It comes and goes back.  
Happiness never lacks.  
Feelings of happiness come,  
When you have a lot of fun.  
If you are very happy,  
It will never run.  
Remain happy always,  
You would never cry.  
To make yourself happy,  
You should always try.**

# FEELING OF HAPPINESS

**Feeling of happiness is,  
When you are in a place alone,  
Sitting in front of the beautiful royal blue ocean.  
The happiness is the greatest feeling,  
If you don't feel that feeling,  
Then your life becomes meaningless.  
All the memories are the fishes in the ocean of happiness.**

# FEELING OF HAPPINESS

**Happiness is the best  
It makes me feel very blessed  
For all the friends who share  
And my family who cares  
Happiness is full of joy,  
Especially When you get a new toy,  
Happiness makes your day,  
But depends on what people say.  
Happiness is on cloud nine,  
Which makes my life very fine.  
Me and my friends like to play,  
And happiness makes my day.**
