I love swimming  
It is better than swinging  
It's my favourite sport  
And it doesn't have to be played in a court

Unlike basketball you don't have to be tall  
In the pool you can swim like a fish  
Tall or short  
You need to have a speed.

I love swimming, how about you?

**Sports are a game  
You should never play the same  
Always run,  
And have fun**

**If you want to grow tall  
Just play basketball  
Always exercise,  
So you'll remain fit all your life**

**If you ever want a goal  
Just go and play  
Have fun,  
With sports, fill you life**

You can choose any

Different they all are**

In some you have to stand  
And play as much as you can**

**There are so many stars in sports  
In cricket you can be an all-rounder  
Football is so simple  
You just have to kick  
And fool the goal keeper**

In sports you have to jump  
You can't just sit and frown**
