

ADVENTURE

Once I went on an adventure
With the hope of a newer venture

I got first rank
And even went to a river bank

The bank was cool
Because it had a pool

I was eager to meet a baba
In the city of Addis Ababa

He told me my future
That I'm going to have an adventure!!!

ADVENTURE

We can do an adventure by nature
Sometimes we have fun
While going to an adventure

And sometimes it so interesting
While going to an adventure
Many people love
Adventure and the excitement
And they take up adventurous activities
Again and again

ADVENTURE

Adventure is a great ton of fun
Even you can't feel the light of sun
Be ready for an adventurous trip
If you hate it just put a flip
Try to have a trip to a mountain
Don't get fed up trying it again
Go to a freezing zone in the world
Take a jacket get out of the cold
Being adventurous is very great
Don't take time it will become late.

ADVENTURE

I felt excited
As it was my first train journey,
At the age of seven

I felt happy,
As in my coach there were a lot
Of children to entertain

I felt tensed,
As my mother consoled me saying that
It was common

I felt shocked
As I realized that our train
Didn't reach the destination

I felt an adventure
As this sort of journey is uncommon.

ADVENTURE

**Adventure is full of fun,
In which we go eating a bun.
We behave as if we are mad,
Sometimes happy, sometimes sad.**

**We travel in a car,
With a chocolate bar.
We go to ponds and hills,
Seeing fishes with gills.
I can't wait for my next adventure,
With my best friends.**

ADVENTURE

A adventure in a strange café
Waiter, where's my soup?
On it's way Sir, loop the loop!
Straight from our famous cooking pot,
Here it comes, Sir, piping hot!
But waiter, there's a fly in my soup.
That no fly, Sir, that's your chicken.
The smaller the chicken the better the soup!
Please take it away.
I'll just have a curry and a plate of rice...
The curry's very good, Sir, full of spice!

Waiter what's this object that's floating around?
Just small beetle, Sir, homeward bound!
Never mind the curry, just bring me some bread,
I have to eat something before I'm in bed.

What's on the menu? Hungarian Goulash?
I suppose it's served up with beetles and mash.
Isn't there anything else I eat?
Yes Sir, you could try the crow's feet.
Highly recommend and good for teeth.
All our best guests.
Are most happily fed here.
And where are the now?
All happily dead, Sir.

ADVENTURE

I was happy that summer vacation started.
I wanted to do an adventure
That was nothing but climbing a hill
I started climbing the hill and,
Then, I saw a cave, I went inside and
There was a huge monster,
I got scared and I ran and ran and ran
And then, I saw a waterfall,
And I was hiding there,
And the huge monster went inside the cave.
I was Hungry and then
I had nothing with me.
Then I saw a small village.
I went there and rang the bell, they said,
“Come in”. I went inside the house.
I said that I was hungry
They gave me some food and then,
I called my parents and then,
I woke up from my dreams.

ADVENTURE

When I went to Australia
The breeze was cold
Then I met a man who was old
Who was very smart

The trees were tall
Much bigger than a ball
Then I went to trekking
Where the journey was tiring

Many animals passed by
Few sights were caught by my eye
This was an adventure
Of all my life.
