With all of Sita's sweetness and Lakshman's pride,

Telling me my right and wrong karma,
Your name resonates in my brain,

One who is my strength in every fight.
A fierce warrior but soft on the inside.
A person, in my heart, who resides.

All the seas and oceans bow to you.

Every drop of my blood has your name.
A person who can change one's life game.
The name to chant all day,
A caretaker who'll always stay.
