**Kerala is my paradise,
People there are very wise,
It is known as God's own country,
As you find beauty in each tree,
There are many beaches,
With lot of beauty.**

**We celebrate festivals with lots of joy
That brings happiness and laughter
When the state is seen from heights
You can see a lot of lights
People there are kind and loving.
Welcoming all guest.**

That is a true paradise.
You don't need to go to heaven.
