❖ **The Admission Process:**

The online admission process for the session 2020-21 is going on and we have already received good number of applications. We are gearing ourselves for conducting the same. The entrance test is to be conducted on the 3rd November 2019 all over India and abroad.

The syllabus outline and model papers will be uploaded in our website soon and can be downloaded for reference.

As per tradition, CIRS –

- gives preference to referrals made by CIRS parents
- gives definite weightage to siblings of our students
- provides 10% concession in Annual Fee for the younger sibling(s) of our students as long as more than one sibling continues to study with us.
