

I

**BECAUSE**

**CAN**

**Because I have the power to make my dreams  
come true**

**I see them with my eyes open, the dreams**

**Dreams which make me soar high**

**Every step is for that dream**

**Every step that trodden forth**

**Will aim to meet the shore**

**If tide never breaks its momentum**

**Then tell me, why should I?**

**ADITYA S DAV**

**Hot as fire, time is flying,  
Ting came the noise at twelve,  
The troops came in, none saw that coming,  
Trying to escape the opened valve,**

**In came a cry, “the other hideouts!”  
The one man, standing alone saw the time**

**He had come, running, filled with rage!**

**Also came a bullet**

**Also an illusion, in a cage**

**DIVYAM GUPTA**

**9 – B**

**Long ago,  
Hiding in the woods,  
I encouraged myself to play the guitar  
Because knew I could.**

**I learnt chess and tennis,  
And how to write a poem, all the same.  
I encouraged myself to make new friends  
Because I knew I could.**

**Here I stand before you,  
Marathon of life, I run.  
I will achieve the highest feat,  
Because I know I can.**

**LAKSHYA DAGA**

**Things that I do,  
Cannot be done by you.  
Because only I can do mine,  
And you yours.**

**Because I can play sports  
But all of you can't.  
Because only I can do mine  
And you yours.**

**There are some things  
Only I can do;  
There are some things  
Only you can do.  
Together we can do many great things.**

**DEEPIKA S**

**9 – B**

**Time is slipping like grains of sand  
Slowly, days turn to months, months to years  
I need to savour this, grip it in my hand  
Every passing minute add to my long list of fears**

**Its all happening so fast  
Nearing end, my childhood, everything dear  
Just some time before death, I will lie  
Want to make the best of it, that's my prayer**

**Recalling old memories made  
I smile**

**The clock may be on fire  
Before my inevitable end, there is still a while  
But before that, I will shine with my time**
